PROFESSIONAL SUMMARY

Business professional with 5+ years in enterprise sales and operations at Classplus, now pivoting full-time into Data Analytics. Combines strong domain knowledge of EdTech sales cycles, team management, and client operations with hands-on technical skills in SQL, Python, Power BI, Tableau, and Excel. Currently gaining real-world analytics experience through an international internship. Focused on delivering KPI-driven insights that connect data to business decisions.

PROFESSIONAL EXPERIENCE

Data Visualization Associate Intern | Team Lead

04/2026 – Present

Excellerate (UAE)

Remote

- Analyzed datasets using SQL (PostgreSQL) to identify trends, patterns, and business anomalies
- Built interactive dashboards in Looker Studio to track KPIs and team performance metrics
- Transformed raw data into actionable insights to support data-driven business decisions
- Led a team of interns, coordinating task allocation and ensuring on-time project delivery

Enterprise Team Lead

2023 – 2025

Classplus (Bunch Microtechnology Pvt. Ltd.)

- Led a team of 8+ enterprise sales representatives managing high-value EdTech client accounts
- Consistently achieved and exceeded quarterly revenue targets; ranked among top performers nationally
- Mentored team members on sales process, client handling, and objection management
- Streamlined sales workflows reducing deal closure time and improving team efficiency
- Earned multiple performance awards: Jumbo Combo, Hard Hitter, Rockstar Rookie, Fastest Delivery

Growth Manager

2021 – 2022

Classplus (Bunch Microtechnology Pvt. Ltd.)

- Managed a sales team driving consistent revenue growth quarter-over-quarter
- Used sales data and performance metrics to identify gaps and optimize team strategy
- Mentored junior reps and improved client relationship practices across the team

Pre-Sales Executive

2019 – 2021

Classplus (Bunch Microtechnology Pvt. Ltd.)

- Sold Classplus IT solutions to coaching institutes through product demos and lead generation
- Helped 50+ educators digitize and scale their online teaching operations
- Onboarded and trained new team members on product knowledge and sales process

DATA ANALYTICS PROJECTS

Hospital Emergency Room Dashboard — Excel

- Built an interactive dashboard analyzing patient volume, wait times, and satisfaction scores
- Visualized admission trends, age group distributions, and department referrals for ops insights

Blinkit Sales Analysis Dashboard — Power BI

- Built end-to-end sales dashboard using DAX with KPI metrics, outlet performance, and product trends
- Identified top-performing categories and locations to support inventory and marketing decisions

IPL Analytics Dashboard — Tableau

- Designed interactive dashboard covering team performance, player stats, toss impact, and win rates
- Visualized season-level trends including boundary counts, run rates, and head-to-head records

Cricket Data Analysis — SQL

- Wrote complex queries using joins, CTEs, subqueries, and window functions on match/player data
- Identified top performers, high-impact matches, and performance trends across seasons

Sales Data Analysis — Python (Pandas)

- Cleaned, merged, and analyzed multi-source sales datasets to identify revenue trends
- Generated insights on top products, customer transactions, and location-wise performance

TECHNICAL SKILLS

SQL: Joins, Subqueries, CTEs, Window Functions
Python: Pandas, NumPy, Matplotlib, EDA, Automation
BI Tools: Power BI (DAX, Data Modeling), Tableau, Looker Studio
Excel: Pivot Tables, Power Query, Dashboards, XLOOKUP
Analytics: Data Cleaning, KPI Reporting, Trend Analysis, Business Insights

CERTIFICATIONS & TRAINING

- Data Analytics Live Program — CloudyML (Python, SQL, Excel, Tableau, Power BI)
- Microsoft Learn — Data Analysis, Transact-SQL, Power BI, Data Visualization
- Google Analytics Certification — Google
- Data Analytics Job Simulation — Deloitte (Forage)
- Kaggle — Python, Pandas, SQL, Advanced SQL, Data Cleaning, Data Visualization
- HackerRank — SQL: Basic to Advanced, Python: Basic
- LeetCode Badges — SQL 50, Introduction to Pandas

EDUCATION

Bachelor of Arts – Philosophy & Political Science | Zakir Husain Delhi College, Delhi University
2016 – 2019
